Commissioner of Patents and Trademarks, Washington, D.C. 20231, on this

Dear Sir:

The information listed below, may be material to the examination of the above-identified application. All of the information below was previously considered by a U.S. Examiner during the prosecution of applications from which this application takes priority. Some information that was considered in a previous related application 08/103,961 ("the `961 application") has not been listed in this IDS in an effort to facilitate the Examiner's review of the application and relevant materials. The Examiner may, nonetheless, wish to review the December 1993 information disclosure statement filed in the '961 application.

Section I is a comprehensive list of all the information to be made of record in an Information Disclosure Statement in this application. Section I.A. contains information previously submitted to the PTO but that which was cited for the first time during the prosecution of U.S. Serial No. 08/307,273, the parent of the present application. Information listed in Section I.B. was cited during the prosecution of earlier related applications. Information that is listed below and which has been considered or provided in earlier applications (cited in Sections I.A. and I.B.) is listed on the attached PTO-1449, but copies have not been provided pursuant to 37
